

Bioncotech Therapeutics, S.L. Privacy Notice

Bioncotech Therapeutics S.L. (“Bioncotech” or “we”) respects your privacy and is committed to ensuring that personal data that are provided to us are used and shared only in ways that are made clear for you and that are compliant with the General Data Protection Regulation EU 2016/679 (GDPR). Bioncotech acts as data controller in accordance with GDPR.

This Privacy Notice explains the types of data we collect through the website, how we process the data and what we use the data for. It also describes your rights and provides details of our Data Protection Officer, who you may contact with any questions about your personal data held by Bioncotech.

How to contact our Data Protection Officer (DPO)

If you have any questions on or requests about your personal data that have been provided to Bioncotech, you may contact our DPO at the following email address:

DPO email: bioncotech.dpo@mydata-trust.info

You may also send us a written request at the following address:

Bioncotech Therapeutics S.L.
Parque Científico Universidad de Valencia,
Calle Catedrático Agustín Escardino 9,
Paterna 46980 (Valencia) Spain

Personal data provided through our website

To access the information on Bioncotech’s website it is not necessary to fill in any registration form. We may receive personal information from you that can identify you when it is voluntarily submitted to us. You are able to contact Bioncotech by email to info@bioncotech.com or by regular mail to one of the postal addresses indicated on our website. This will provide us with your name, your email address and/or any other personal data that you may include.

Personal data provided through an email contact to info@bioncotech.com or by regular mail may include the following:

- Contact information (e.g., name, home and/or business addresses, telephone and e-mail addresses)
- Professional credentials
- Your communications preferences

We ask that you do NOT provide sensitive personal data by email to info@bioncotech.com or by regular mail to us.

The examples provided are not all-inclusive.

What data do we collect, how will we use your data and what is the legal basis?

When you contact us through email or regular mail, the information you provide (your email address, your name and any other personal data) will be stored by us only to allow us to answer your questions. By sending us an email, written letter or contacting us by phone and including

your personal data, this is considered as consent for us to process your personal data in order to provide you an answer.

If your contact results in continued interactions with Bioncotech which involve more than answering your question, for example, a professional collaboration, additional information on our privacy policy relevant for that interaction will be provided to you.

How long do we store your data?

Bioncotech complies with the principles of purpose limitation and data minimization. We store personal data only for the period necessary for the respective purposes and in accordance with the applicable regulations.

What are your rights with respect to your personal data?

- You have rights to be informed, to request access, to request rectification of, to request erasure of, to request objection of and to request restriction of the processing of your own personal data.
- You also have a right to request portability of your own personal data.
- Bioncotech does not engage in direct marketing and we do not engage in automated processing.

Do we share personal information with third parties?

The data will not be disclosed to third parties, unless legally obliged to do so.

Cookies or similar techniques

Bioncotech does not use cookies or similar techniques for its website.

Updates of this Privacy Notice

We reserve the right to modify our Privacy Notice at any time to ensure we remain compliant with the applicable Regulations. We recommend that you regularly review this Privacy Notice to ensure you have an up to date view of our Privacy Notice.
